Tweet: West Coast dockworkers reached a tentative deal with port employers yesterday. Labor activity had disrupted West Coast port operations in recent weeks. @WSJ

Summary: West Coast dockworkers reached a tentative labor deal with port employers Wednesday following more than a year of contentious negotiations that have disrupted trade flows from California to Washington state. The International Longshore and Warehouse Union, which represents more than 22,000 dockworkers, and the Pacific Maritime Association, representing employers at 29 ports, said the agreement would run for six years.
